

Guaranteed Data Infinite Tag Life

What Is EPIC™?

An error management system guaranteeing the integrity of data read from an RFID tag,

- Standards Compliant
- Backwards Compatible

Is EPIC For You?

EPIC is crucial in tracking inventory where the accuracy matters, specifically inventory life > 1 year and data error rates <1,000 defective parts per million (DPPM).

Benefits

- Detects and eliminates data errors
- Optional enhanced data security
- Convenient sourcing options
- EPIC uses either
 - SensThys readers, or
 - Provided decoder for legacy readers
- Works within existing infrastructures

Unique

- Fixes memory and transmission errors
- Patented, only available at SensThys

EPIC Applications:

- Healthcare
- Cold Chain
- Government
- Avionics
- Encryption
- Authentication
- Digital Twins
- Blockchain
